OPPORTUNITY BANGLADESH
TO EXPLORE BUSINESS IN THE FAST URBANISING BANGLADESH

The construction industry in Bangladesh is expected to grow constantly and reach BDT 2,329 billion. Despite near-term challenges in certain construction sectors, medium to long term growth story in Bangladesh remains intact. The construction industry in Bangladesh is expected to grow steadily over the next four quarters.

The growth momentum is expected to continue over the forecast period, recording a CAGR of 10.0% during 2022-2026. The construction output in the country is expected to reach BDT 3,415.1 billion by 2026.

Bangladesh has experienced rapid urban development for decades and the capital city Dhaka has emerged as one of the world's fastest growing mega-cities. Large scale infrastructure development and urbanization has driven growth & demand for Building and construction products and 7TH BUILDCON & ELECTRICAL EXPO is the perfect platform to reach out to the sector.
